

Flowers and Leaves I contains:

- Pattern pieces for 9 flowers and 4 leaves.
- A BONUS curved tieback pattern, to craft the tieback shown on the pattern cover.
- Step by step instructions to create each flower.
- Application ideas for finished embellishments.

Suggested Fabrics: Fine, thin fabrics, such as silk dupioni, silk charmeuse, silk satin.

Yardages: Yardages will vary depending on how many of each style of flower you plan on making. Pattern pieces create flowers that approximate the size of natural flowers. The pattern can be scaled up or down on a copier if a different size flower is desired. Plan on 1/4 yard of 54" wide goods to create at least two flowers at the size given in the pattern. Plan on folding your fabric selvedge to selvedge before cutting, so the front and back of each petal can be cut at the same time.

Supplies: Disappearing purple fabric marking pen or chalk, color matched thread, hand sewing needles. Interlining for tieback.

Difficulty Level: Intermediate to Advanced.
